. This application could not be served on respondent No.4 as he is absconding.

2. The order under challenge in this application is passed by the Sessions Judge on 18th November 1999. In my view, considering the nature of the controversy and the fact that the applicants are claiming to be bonafide purchasers, no useful purpose will be served by keeping the application pending. Orders under challenge are delivered on 18th November 1999 and they arise out of proceedings under section 457 of Cr.P.C. The subject matter of the proceedings is a vehicle. The application is, therefore, dismissed as infructuous.
